We have been proudly serving the Tonawanda area for over 20 years. All of our auto repair services are performed by a Master Technician to ensure quality workmanship. We use the latest in diagnostic equipment to guarantee your vehicle is repaired correctly the first time. We only use O.E.M. replacement parts to ensure your vehicle runs like a new car.

We service all types of vehicles including foreign & domestic automobiles and trucks, motorcycles and RV's. We also provide service for several types of equipment including tractors, bobcats, snow plows and even golf carts. We can repair just about anything with an engine. When you need a mechanic in Tonawanda just call us.

We offer many services to help you keep your vehicle running properly at all times. Here are a few of our many services below.
